Dual Vanity

On homes TV get -
ing couples coo
re double bathroom

sinks where they’ll
repair in club-
biness. Uh uh.

She’s best in her own
bathroom, unguents
ranked in magic.

Tools, also, clean
and precise. Plus

not the least,
a private throne

to contemplate
whatever

brought her hence.

There’s Art in Untruth

But the vicious per-

force must move

too fast

to check

it out.
